In today's time, imagining our lives without clicking pictures is impossible. Aaron Siskind, a famous American photographer once said, "Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever... It remembers little things, long after you have forgotten everything."

1. Priya Chhabra

After working in marketing and PR for about 13 years, Priya took a break and then decided to pursue her dream. She started Priya Chhabra Photography two years ago. She specializes in fine art portraiture in the areas of maternity, newborn, baby, child and family life inspired portraiture. Her style of photography is natural and fun.

She believes that - Life is all about telling a story and she is that story teller who delivers stories on a budget. She has done many photoshoots till date.

Her mantra is "You are your only Limitthere is no reason to look back ..when there is so much more to look forward too!!"
